SITE DESCRIPTION: The former stop and wash property is located at 904-906 South avenue in Plainfield, Union county, New Jersey. The facility operated as a laudromat and self-serve dry cleaning. The current owners, Mr. and Mrs. Webb purchased the property in May 2006, and were not aware of any chemical used on site. The facility is adjacent to and hydraulically upgradient from Al and Jeans Children's Unique day care center (912-914 south avenue). According to the PA/SI report dated November 15, 1994 for Al & Jeans, TCE and PCE was impacting the shallow and deep groundwater at the site. The facility has never used or stored TCE or PCE. The NJDEP determined the chlorinated compounds detected in the monitoring wells on-site were from an unknown, upgradient source. Based on the information a further action under CERCLA is recommended for the stop & wash property.
